Re: SJR 29

Dear Senator Kinder:

I received the adopted SJR 29 in my office on May 28, 2004. I note that SJR 29 was adopted without a fiscal note summary or an official summary statement. Section 116.160, RSMo requires that I prepare the summary statement. That section further provides that I may seek your advice as president pro tem for developing the summary statement for SJR 29. The purpose of this letter is to seek your advice and suggestions you may have for the language of the summary statement. Please note that I must prepare and transmit a proposed summary statement to the Attorney General on or before June 17, 2004.

I look forward to receiving your advice.

Sincerely,

  
Matt Blunt
